

## How to search the Trustmark site for providers:

- ⇒ Visit [www.myTrustmarkBenefits.com](http://www.myTrustmarkBenefits.com)
- ⇒ Click on **'aetna'** in the bottom left corner under Find a Doctor
- ⇒ You will then be able to search by zip code or location
- ⇒ Enter proximity you wish for the provider to be from your location
- ⇒ After you have completed the search criteria, you are now ready to search by category

## How do I look up my prescriptions through Magellan?

- ⇒ Visit [www.magellanrx.com](http://www.magellanrx.com)
- ⇒ Click on the **'Member'** icon at the top right hand corner
- ⇒ Click on **'Tools & Resources'** located at the top left hand corner and select **'Formulary and Clinical Documents'**
- ⇒ Select **'View the Precision Drug Look Up'**
- ⇒ You are then able to search by typing the prescription name or by choosing the first letter of the prescription
- ⇒ You will then be provided the details of prescription drug that you are searching, including the tier that the drug falls into and the limits and restrictions.
- ⇒ If you are unsure what the the colored abbreviations mean under the Limits & Restrictions, refer to the bottom left hand corner.
